ASX Announcement

**Revised completion date for merger with IPMG**

PMP indicated at its EGM on Friday 16 December 2016 that following discussions with the ACCC there may be a need for a short delay in completion to allow the ACCC merger review process further time to be completed.

Subsequent to the EGM, PMP has undertaken not to complete the transaction before 23 February 2017 and the ACCC has indicated that it will endeavour to complete its review by this time.

PMP and IPMG have agreed to extend the proposed completion date of the merger to 23 February 2017 (which is not expected to impact upon the trading update provided on Friday, 16 December 2016).

PMP will keep the market informed of any further updates.
